**All-Pro Dynasty Fastpitch Professional Teams to Train & Play at University of Maryland  
*U.S. Professional All-Stars and Dynasty 6 Teams to Debut June 11-12***

**Sparks, MD** – The **U.S. Professional All-Stars and Dynasty 6**, a pair of traveling professional women’s fastpitch teams created by Maryland-based firm API Sports Management & Marketing and Atlanta-based Dynasty Media and Entertainment, LLC, will hold their preseason training camp and open play for their summer 2010 tour next month at the University of Maryland. The teams will train at Maryland from June 5-10 before hosting a festival weekend that will include three games, meet-and-greet opportunities and interactive clinics June 11-12 at the Robert E. Taylor Softball Stadium on the university’s campus.

The weekend will consist of a Friday night game featuring the **U.S. Professional All-Stars** against a team of collegiate all-stars. That contest will get underway at 7 p.m. Those two teams will meet again Saturday afternoon at 2 p.m., followed by a **Dynasty 6** charity game at 5 p.m. Players will be available throughout the event to sign autographs and answer questions from players, parents and coaches, and there will be several mini-clinics with the pros beginning Saturday morning at 9 a.m.

Tickets, which cost \$5 per person for each individual game or \$10 for a weekend pass that includes admission to all three contests, can be purchased by calling **410-472-3500** or at [www.USAllStarTeam.com](http://www.USAllStarTeam.com).

The **U.S. Professional All-Stars** is a team comprised of current and former U.S. National Team players, U.S. Futures Team players, former college All-Americans and national champions. That team will compete during the festival weekends against top women’s teams from around the country, international teams, teams of college all-stars and possibly in fall tournaments against college teams. Some players who have committed to play for the All-Stars include **2008 College Player of the Year Angela Tincher**, **U.S. National Team members Katie Cochran and Ashley Charters** and **U.S. Futures Team member Jenae’ Leles**.

**The Dynasty 6** is a six-person team of select women from the U.S. Professional All-Stars, including those named above, who will compete against any full team of male challengers in charity events during the festival weekends and throughout the year. This group, created in honor of the hugely successful King and His Court and Queen and Her Court/Maids teams that toured the country for years, will take on local firefighters, police, military personnel, celebrities, professional athletes from other sports, etc.

The **U.S. Professional All-Stars and the Dynasty 6** teams will tour the country starting in June, participating in similar weekend fastpitch festivals in locations such as Atlanta; Baltimore-Washington; New York; Worcester, MA; Norfolk, VA; and Tulsa, OK. Dates and times of each event – along with additional locations – will be announced shortly.

The goal of All-Pro Dynasty Fastpitch is to open doors for the millions of young girls playing the sport to interact with female professional role models, learn from athletes who have reached the sport's highest level and see that they can pursue fastpitch into college and beyond. In turn, the hope is to expose the sport and its athletes to new demographics and markets around the country and help the hard-working pro-level fastpitch athletes be able to truly make a living doing what they love while at the same time giving back to the sport.
